Producer Agreement

This agreement made and entered into this _____ day of _____, 20__ by and between Bass Underwriters, Inc. ("Bass") and _____ (licensed insurance agent(s) and/or broker(s) of _____ in the state of _____, hereinafter referred to as Producer.

Witnessed, in consideration of Bass, placing risks occasionally hereinafter for Producer with an insurer(s), and mutual promises and covenants hereinafter set out, it is agreed as follows.

1. This agreement shall apply to current insurance contracts already placed and in force at the date hereof and all future insurance contracts which may be placed by Bass, on behalf of the Producer.
2. No insurance contract may be returned to Bass by producer for flat cancellation unless it is returned and received prior to the effective date of the contract. Earned premium shall be computed and charged on every contract canceled after the effective date in accordance with the cancellation provisions of such contract.
3. Any taxes applicable to any contract of insurance placed with an insurer, which are not recoverable, are fully earned from the inception date of the insurance, and in case a portion of the premium shall be returned by reason of cancellation either on behalf of the insured or the company or by reason of reduction of premium, no amount shall be returnable in respect of such taxes until and unless such taxes have been, in fact, recovered by Bass and the amount to be returned shall in no event exceed the amount so recovered.
4. Producer is responsible for Twenty Five Percent (25%) of the premium upon binding. The full amount of premium, fees and applicable state taxes, less commission is due to Bass not later than the 10th day of the first (1st) month after the effective date of such contract, audit, rating plan, or other adjustment.
5. In the event that an additional premium shall be due under an insurance contract as a result of a policy audit, which results in an increase in premium due for an insurance contract, the Producer will make all reasonable efforts to collect amounts due. Producer will be relieved of responsibility for premium, so adjusted or determined, if Producer notifies Bass in writing within 20 days after the invoice date, stating that Producer has made diligent efforts and is unable to collect such premiums and, provided the insurer releases Bass of liability for such premium. Failure to give Bass timely notice shall constitute Producers acceptance of responsibility to pay such premiums. If commission applies to these adjustments, none will be allowed to Producer on premium collected directly by Bass or insurer under this provision.
6. Bass will use its best efforts to give the Producer reasonable advanced notice of the expiration of all policies, but failure of Bass to provide such notice will not render Bass liable.
7. The furnishing of promotional materials, including, but not limited to applications, rate schedules, brochures, or any other material by Bass, to the Producer does not create or imply an agency relationship or binding authority between Bass and the Producer.
8. No Producer has authority to assign or adjust any losses on behalf of Bass or its companies. All claims are to be immediately reported directly to Bass for assignment and handling.
9. Producer acknowledges it is not the agent of, and has no authority to bind Bass or any of its principals or insurer(s). Producer warrants it is the agent of the insured and acknowledges Bass bears no agency or fiduciary responsibility to the insured.
10. This agreement may be canceled at any time by written notice of either party to the other, but said cancellation shall not alter in any way the continued application of this agreement to insurance contracts effected prior to the date of such cancellation.
11. Any amendment to this agreement shall be made only with the written consent of both parties and attached hereon through addendum.

In witness whereof, the parties hereto have set their hands and seals this day and year first above written.
